wildSalmoncircle

Join the Wild Salmon Circle!

We are a group of citizens concerned about the preservation of wild salmon. We are urging decision makers to take action, including the immediate removal of open-net salmon farms from the BC coast to protect our wild salmon from deadly sea lice and disease. By signing up, you will be part of this growing circle and be informed of upcoming events and ways to get involved in helping to save our wild salmon.

Turn the Tide - Stand up for Wild Salmon!
